<b>Description</b> Hi,  I would like to hide the Worktime shortcut in header bar (positionned after the 'logged in as') I want to display this link only to the specific roles. I have clients who must not access to this part of Redmine.  Can you help me to do that ?  I really appreciate your plugin and redmine (I'm a newbie in Redmine ^^).  Thanks in advance for your answer,  best regards

Hi, JEREMY.

You can comment out following 2 lines to remove 'WorkTime' link on account menu.

redmine\_work\_time/init.rb

```
$ diff init.rb.org init.rb
23,24c23,24
<   menu :account_menu, :work_time,
<     { :controller => 'work_time', :action => 'index'}, :caption => :work_time
---
> #   menu :account_menu, :work_time,
> #     { :controller => 'work_time', :action => 'index'}, :caption => :work_time
```

best regards
