Description

Now global banner message can't have update log. In addition to, banner can't have some reserved messages. So change from settings table to banner's table to store global banner messages.

History

Indeed, it’s an amazing light extension for redmine and certainly it can become much better if there would be an option to keep at least 3 messages (keeping a frequently used messages) and activate one of them to show on demand. Would appreciate to see that feature and soonest update.

#3 - 01/03/2015 04:22 PM - Akiko Takano
- Target version changed from Backlogs to 0.1.1

#4 - 10/30/2015 10:16 PM - Akiko Takano
- Target version changed from 0.1.1 to Backlogs
