There were some same request.
I've added a function to set the company start day for each project.

But, It is still in beta.
Please be careful because there is a possibility that contains the bug.
It's a great help if you test this new feature.

You can download new plugin from
https://bitbucket.org/tkusukawa/redmine_work_time/downloads
'Download repository' link.

Setting of company start day:
Project's [setting] tab -> [work time] tab

Thank you very much.

The plugin is working very well. Well done!
